## Love Me in Your Language

ART IN RESIDENCE

Visual artist Seth Carnes, a.k.a. [sic], is building his own brand of art. We usually see him (or, more often, evidence of him) in the West Village, where he paints “iheart” murals on public walls and tools around on his cruiser.

Find one of his works and vandalize it! No, no, we mean photograph yourself in front of it. Then send your pics to [iheart.org](http://iheart.org), where [sic] is collecting them for an online exhibition.

You can also check out the *iheart diptych 001* project currently at the Leo

Kesting gallery, 812 Washington Street, at Gansevoort Street (917-650-3760).
